This supplements the Information Disclosure Statement submitted in the above-identified application on November 5, 2003.

In the November 5, 2003 Information Disclosure Statement, the Applicants listed German patent document DE 73 24 829 U on the accompanying Form 1449. Upon notification that a copy of this document had not been received by the Office, the Applicants provided a copy as an attachment to a December 16, 2004 Office Action response. In the Final Office Action mailed February 11, 2005, it was noted that a new Form 1449 was required. Accordingly, a supplemental Form 1449 listing the DE 73 24 829 U document, and an additional copy of the document, are enclosed.

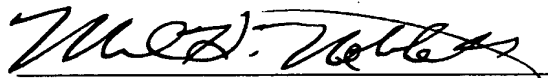

The submission of the listed document is not intended as an admission that any such document constitutes prior art against the claims of the present

application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

In view of the original identification of the enclosed document in 2003, the Applicants believe no further fee is required. However, if necessary, the paper should be considered as a petition for consideration of the Information Disclosure Statement under 37 C.F.R. § 1.97(d)(2) and that the petition fee set forth in 37 C.F.R. § 1.17(i) in accordance with 37 C.F.R. § 1.97(d)(3) should be charged to Deposit Account 05-1323, Attorney Docket No. 038724.52851US.
